Monday 15th March

Consultation of Relationships, Sex & Health Education Curriculum Policy and Lesson Plans

Dear Parent and Carers,

As you may be aware, schools are expected to deliver the new Statutory content for Relationships, Sex & Health Education (RSHE) during the Summer Term. An important part of the process is to provide an opportunity for parents to comment upon the scheme of work and the revised RSHE Policy.

At William Booth, we have used the **Christopher Winter Project** Scheme of Work since 2014 and we plan to continue this successful scheme. To give parents a chance to see the updated lesson plans before they are used, we will begin a consultation period with parents/carers.

The consultation period will take place over the next two weeks. The Policy and the curriculum overview will be available on our School website (link below) from Monday 15th March. Parents/carers will have until Friday 26th March to view and comment upon.

http://williambooth.nottingham.sch.uk/?page_id=3603

Current social distancing measures, and restrictions on public gatherings, mean that we cannot hold parent meetings until further notice. Therefore, we have created a video presentation to support the consultation process. The presentation will be on our school website.

To feedback and comment on the RSHE curriculum, we invite you to fill out an electronic questionnaire on Survey Monkey; this link will be sent to you via our school website.

We value your thoughts and we look forward to hearing your views and opinions.

Thank you for your continued support.

Best wishes,

Karen Cole

RSHE Subject Leader
