

Transform Trust Recruitment and Selection APRIL 2021

Introduction

Policy Statement

Transform Trust recognises its staff are fundamental to its success. A strategic and professional approach to recruitment processes helps us to attract and appoint staff with the necessary skills and attributes to fulfil the Trust's strategic aims of pupil achievement, and support our values.

We are committed to attracting, selecting and retaining employees, both permanent and temporary, who will successfully and positively contribute to providing the very best education for our pupils. A motivated and committed workforce with appropriate knowledge, skills, experience and ability to do the job is critical to the Trust's performance and fundamental to the delivery of high-quality education. Those responsible for each stage of the recruitment process will be expected to demonstrate at all times a professional approach by dealing honestly, efficiently and fairly with all candidates.

In carrying out our recruitment processes we:

- are committed to the creation of a safe environment for our pupils by operating safer recruitment practices in line with the statutory requirements and guidance.
- will comply with the requirements of Data Protection Legislation (being (i) the General Data Protection Regulation ((EU) 2016/679) (unless and until the GDPR is no longer directly applicable in the UK) and any national implementing laws, regulations and secondary legislation, as amended or updated from time to time, in the UK and then (ii) any successor legislation to the GDPR or the Data Protection Act 1998, including the Data Protection Act 2018).
- our Data Protection Policy sets out how we will comply with Data Protection Legislation.

At every stage of the appointments process, the Trust is committed to upholding all the principles of its Equal Opportunities Policy to ensure that relevant equalities legislation is adhered to and that applicants are not discriminated against on the grounds of race, gender reassignment, religion or belief, age, disability, marriage and civil partnership, sexual orientation, pregnancy and maternity, and sex (gender). The Trust recognises that the Equality Act 2010 makes a requirement to make reasonable adjustments to the recruitment process, from advert through to appointment.

In the very exceptional cases where we are required to discriminate due to an occupational requirement this must be approved by the Board of Directors or Governing Body who will provide reasons for this requirement

As a Disability Confident Committed Employer, we are committed to inclusivity and accessibility. We guarantee to interview a disabled applicant, provided they meet the minimum criteria for the job. This applies to all internal and external vacancies.

All appointments, including volunteers will be subject to satisfactory Enhanced Disclosure and Barring Service (DBS) with children's barred list and disqualification checks (where appropriate), satisfactory health reports and supportive confidential references, the latter will be taken up immediately after short listing and must be available prior to interview. Should any of these checks be unsatisfactory any offer of employment or engagement, and/or invitation to attend interview or shortlisting will immediately be withdrawn. All appointing bodies within the Trust are committed to the highest standards with regard to child protection and will take all necessary steps to check identity, residency, qualifications, employment history and suitability to work with children.

This policy has been designed to provide a flexible framework which promotes good practice, complies with relevant legislation and supports fully the Trust's core business.

Professional advice and support is available at all stages of the recruitment process from the HR Team.

- All recruitment must be in line with this policy to ensure that we identify, deter and prevent people who pose a risk of harm from working with our pupils.
- All employees involved at any stage of the recruitment and selection of staff should be aware of and adhere to the contents of this policy. In addition, any external consultants, recruitment agencies or external experts who assist in the recruitment process must act in accordance with this policy. The appointing manager is responsible for providing such external parties with this policy prior to their involvement in the recruitment process.

- As a vacancy for CEO arises the Directors of the Trust will determine whether or not to advertise nationally according to circumstances prevailing at the time. The recruitment panel shall normally consist of at least 2 Directors together with such professional support as the Directors deem appropriate. This should include the Trust HR Director acting in an advisory capacity.
- The Local Governing Body Chair, CEO and Executive Team can appoint Headteachers. The recruitment and selection process will usually be managed by the CEO and Local Governing Body Chair, the recruitment panel being appointed as appropriate to the circumstances. Guidance and support from the Trust HR Director is a pre-requisite before proceeding to

advertising a post.

- The CEO or their appointed representative will be responsible for all recruitment to Trust Centre posts in particular those to the Executive Leadership Team.
- All recruitment documentation will include the Trust's safeguarding statement.
- All recruitment must be planned to ensure that there is adequate time available to recruit safely
- Where the person leading the recruitment determines that the vacancy is suitable for an internal advert across the Trust this should be discussed and agreed with the CEO or their appointed representative and HR advice sought (see Appendix 1 for Recruitment authorisation form). The recruitment process will be agreed at this stage.
- In all cases, prior to advertising, a recruitment authorisation form (Appendix 1) must be submitted to the HR team and advice/approval sought which should be accompanied by the advert, job description and person specification. Where there is an increase in responsibility advice should be sought from the Trust HR team.
- The Directors of the Trust, CEO and Line Managers or their delegated representative will determine how and where the post will be advertised according to circumstances prevailing at the time. All external vacancies will be placed through Vacancy Filler and will be advertised on the Trust website and other appropriate media. Principles

General principles

- Guidance notes have been produced to outline the application and selection process for all

prospective employees.

- All employees involved in the recruitment process, and in particular Chairs of selection panels, should ensure that they are aware of their responsibilities and that the recruitment and selection of staff is conducted in a professional, timely and responsive manner and in compliance with current employment legislation.
- Selection panels will comprise of a minimum of two people (normally three). In accordance with the statutory requirement, every selection panel will have at least one member who has undertaken Safer Recruitment Training. In addition, at least one member will have undertaken general recruitment or equalities training.
- If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare this as soon as they are aware of the individuals' application. It would normally be necessary for the member of staff to avoid any involvement in the recruitment and selection process.
- Recruitment and selection must be conducted as an evidence based process and candidates should be assessed against agreed written selection criteria, based on relevant knowledge , skills, competencies, experience and qualifications to perform the role (as outlined in the person specification). All decisions must be recorded.

Confidentiality and Maintenance of Records

- Documentation relating to applicants will be treated with the utmost confidentiality and in accordance to the requirements of the Data Protection Act 2018 (GDPR).
- Recruitment documentation will be retained for six months from the date of interview. Under the Data Protection Act, applicants have the right to request access to notes written about them during the recruitment process. After six months all information about unsuccessful candidates will be securely destroyed.

Preparation Stage

- The recruitment and selection process should not commence until a full evaluation of the need for the role against the school improvement plan and budget has been completed.
- The recruitment of staff will take into account the Trust's commitment to equality and diversity and the need to maintain a competitive advantage.

Responsibilities

Advertising

As a minimum all vacancies will normally be advertised across the Trust via the Trust website. This will help maximise equality of opportunity and provide staff with opportunities for career development, thus maintaining the skills and expertise of existing staff. In extenuating circumstances

there may be a decision made to waive the need to advertise. This is likely to include the following circumstances:

- Where positions may provide suitable alternative employment for existing staff whose post has been identified for redundancy, including the termination of fixed term contracts or following a restructuring exercise.
- Positions requiring specialised expertise where the Trust / School can demonstrate that a comprehensive search has been conducted and the nominated individual is the most suitable person for the position.

Positions will be advertised using the most appropriate and cost effective medium to maximise the number of suitably qualified candidates. This may include local, national publications and web sites and should adhere to the Trust's visual identity. Internal advertisements should appear for a minimum of 7 days and external advertisements should appear for a minimum of 14 days.

Any advertisements will make clear the Trust's commitment to equal opportunities and safeguarding and promoting the welfare of children. The advert will include a declaration that we are a Disability Confident Committed Employer. Where appropriate, a declaration that we are an employer that encourages flexible working and promotes wellbeing through workload considerations. Applicants will be advised that the successful candidate will be subject to an Enhanced DBS with Children's Barred List check. Adverts will be checked by the Trust HR team before being released on the website / other sites to ensure compliance with regulations and to provide guidance on content.

In addition, as part of our commitment to reducing the Trust's Gender Pay Gap, we will look to word leadership adverts in a way that might encourage females to apply. We will look to include commitments to support less than FT working or more varied patterns of working to make positions more attractive for those who may not be able to work full time.

Job descriptions should be Trust approved and where possible consistent with the same post in other Trust schools. The Trust HR Team will supply generic job descriptions.

Applicants will be treated with respect and provided with sufficient information to make informed decisions regarding their suitability for the role. All applicants will be provided with:

- A job description outlining the duties of the post, including safeguarding responsibilities.
- A person specification listing the qualifications, skills, knowledge, experience and abilities required to carry out the tasks in the job description, including a specific reference to suitability to work with children. All criteria on the person specification must be able to be tested objectively and must not discriminate against certain groups of applicants.
- A Trust application form. All applicants for employment are required to complete this application form, containing questions about their academic and full employment history and their suitability for the role (in addition all applicants are required to account for any gaps or

discrepancies in employment history). CVs must not be accepted

- An Information pack containing:
 - Reference to the School / Trust's policy on Equality and Diversity
 - Reference to the Child Protection / Safeguarding Policy
 - DBS and other pre-employment requirements
 - Trust staff benefits
 - A statement that canvassing any member of staff, or member of the Governing Body, directly or indirectly, is prohibited and will be considered a disqualification.

The School / Trust may use an agency or external consultancy to assist in recruiting staff where the vacancy is hard to fill.

Selection

Selection Process

The selection process should be:

- Transparent
 - Timely and cost effective
 - Equitable
 - Free from conflict of interest
-
- Interviews should normally be conducted by the Headteacher and at least one other person and at each stage all interviews for one post must be conducted by the same panel. The CEO will along with the Chair, direct the selection process for any senior leadership appointments advised by the HR Director for the Trust.
 - The choice of appointee will be determined by only the members of the selection panel.
 - At the end of the recruitment process all records must be retained in accordance with current legislation and the Trust document retention scheme.

Shortlisting

- The equal opportunities monitoring form must be removed from the application and not provided to the short-listing panel.
- Shortlisting must be undertaken by at least two individuals from the selection panel. The criteria for shortlisting should be based on the requirements in the job description and person specification, using an agreed short-listing form. The criteria for selection will be consistently applied to all applicants and the selection panel will agree the candidates to be called for interview.
- The short-listing panel are responsible for scrutinising the application forms and identifying any gaps in employment or other areas that may affect an applicant's suitability to work with children and young people. A satisfactory explanation for any

- concerns must be obtained from the applicant during the interview process.
- A shortlisting grid which can be used for selection processes is attached at Appendix 2 and 3.

References

- References should be taken between shortlisting and interview. The selection panel will take up at least two references on each short-listed candidate, including internal applicants, in order to ensure safeguarding compliance.
- At least one of the referees must be able to comment on the candidate's suitability to work with children. Where the candidate is not currently working with children but has done so in the past, a reference will be sought from the employer by whom the candidate was most recently employed in work with children, to confirm the details of their employment and their reasons for leaving, even if this employer is not listed as a referee.
- References must always be sought and obtained directly from the referee; testimonials or open references cannot be accepted. References must be in writing and be specific to the job for which the candidate has applied. The selection panel will not accept references from relatives or people writing solely in the capacity as a friend or colleague of the candidate for any post.
- Reference templates for Leadership, teacher, teaching assistant and support staff are available from the Trust HR team
- References should be checked carefully to ensure that all specific answers have been answered satisfactorily. The referee should be contacted to provide further clarification as appropriate. This would include where information is potentially defamatory or where inaccuracies occur with the application details supplied by the applicant.
- Any issues of concern or inconsistencies between information given by the candidate on their application form and information given by referees should be explored at interview.
- Where it has not been possible to obtain references before the interview any concerns that are subsequently raised will need to be resolved before the appointment is confirmed
- At Appendix 4 there is guidance for anyone required to complete a reference on behalf of the Trust. It outlines the legal responsibilities associated with supplying a reference and should be adhered to.
- All references requested for employees that are for a Leadership position should be referred to the Trust HR team before submission.

- Any references requested by the Trust / Trust Schools will not seek information about absences or attendance until a firm conditional offer has been made.

Interviews

- A face to face interview must take place for all applicants to all posts. The use of video conferencing, Skype, Facetime or other similar technologies is acceptable for this purpose.
- The format, style and duration of the interview are matters for the selection panel to decide. All candidates will be given relevant information about the Trust/School to enable the candidate to make further enquiries about the suitability of the advertised job. Any skills tests (e.g. presentations, in-tray exercises) must be directly related to the role and measured against objective criteria, and presentations for one post must be assessed by the same persons. Candidates must be notified of the details of any skills test when they are invited for interview and the selection process for teaching posts must include a presentation or demonstration of teaching skills.
- For roles that require an exercise of leadership judgement or management of others, such as a Headteacher and Deputy Headteacher, a Psychometric Test may be undertaken as an activity prior to any selection process.
- Before the interviews, the selection panel will agree on the interview format. Interview questions must be designed to obtain evidence of how each candidate meets the job requirements as exemplified in the job description and person specification.
- For roles involving direct contact with children, the interview should explore issues relating to safeguarding and promoting the welfare of children in addition to candidates' ability to perform the duties of the post, including:
 - The candidate's attitude towards children and young people
 - Their motivation to work with children and young people
 - Their ability to form and maintain appropriate relationships and personal boundaries with children and young people
 - Their emotional resilience in working with challenging behaviours
 - Attitudes to use of authority and maintaining discipline
 - Areas that may cause concern from a safeguarding children point of view, such as: Probing gaps or discrepancies in employment history
- Any gaps in education and employment should be explored
- Finding out the reasons for a history of repeated changes of employment without clear

salary/career progression

- Exploring mid-career moves from a permanent post to supply or temporary work
- The same areas of questioning will be covered for each applicant and each candidate will be assessed against all the essential criteria for the post. Interview questions must appear on an interview assessment form on which answers to questions must be recorded.
- Where required every effort must be made to make reasonable adjustments for candidates with disabilities. Advice can be sought from the Trust's HR team.
- Candidates will be asked to bring original documents to prove identity, address, right to work and qualifications to the interview, so the panel can establish their suitability to take up the post. These documents will be verified and copied.
- Shortlisted candidates will complete a 'self-declaration of criminal background' form. The interview must also include a discussion of any convictions, cautions or pending prosecutions, other than those protected, that the candidate has declared and are relevant to the prospective employment.

Level of language proficiency

Under the "fluency duty" (Part 7 of the Immigration Act 2016), public authorities are required to ensure that workers in public facing roles are fluent in English. Public facing roles are those members of teaching and support staff who, as a regular and intrinsic part of their role, are required to speak to members of the public (including pupils in schools). With regard to applicants who may be deaf or hard of hearing, this would be considered an exception as part of the Equality Act and this should be borne in mind when conducting interviews. In addition, schools are also requested to consider whether an applicant who may have English as an additional language is still able to meet the essential criteria and is a suitable candidate for the position. Schools are also encouraged to support prospective candidates to achieve the required level of fluency.

We will accept a range of evidence of spoken English ability as follows:

- competently answering interview questions in English.
- possessing a relevant qualification for the role attained as part of education in the UK or fully taught in English by a recognised institution abroad.
- passing an English spoken language competency test or possessing a relevant spoken English qualification at CEFR Level B1 or above, taught in English by a recognised institution abroad.

Offer of Employment

The generic Trust offer letter should be used when making offers in writing. This will be issued by Trust HR Team on notification of the verbal offer and acceptance by the appointed candidate.

Offers of employment are conditional upon:

- Receipt of two satisfactory references (one of which must be the current or most recent employer);
- Satisfactory enhanced disclosure and barring service (DBS) with children's barred list check;
- Confirmation of medical fitness;
- Proof of qualifications;
- Evidence of right to work in the UK;
- Teacher prohibition checks.
- Overseas checks where applicable verification of professional status where applicable
- Meeting a probationary period with the Trust.

The successful candidate will be informed, normally by offer letter, that the appointment is subject to satisfactory completion of these checks.

Pre-Employment Checks

The pre-employment checks listed below must be completed before the employee starts work. Exceptions may only be made in circumstances where a risk assessment has been undertaken. Exceptions must never be made in the case of the Barred List and Teacher Prohibition checks. If the DBS check has not been received then a barred list check can be undertaken by the Trust HR team. The School must ensure that appropriate supervision is in place until the DBS check has been received.

Enhanced DBS Check

All staff will require an Enhanced DBS (including a Children's Barred List Check).

DBS certificates will only be issued to the applicant. All applicants must produce the disclosure when requested to do so. The disclosure will be scrutinised to ensure it is authentic and to detect any fraud. The DBS disclosure number and date of the check must be recorded in the Single Central Record (SCR). We are not required to take a copy of your DBS certificate, however we may choose to do so for decision making purposes. Any copy will be held for no longer than necessary, and up to a period of six months and be processed in line with Data Protection Legislation.

If the applicant has registered with the DBS Update Service there is no need to complete another DBS check provided the original check is an enhanced DBS and also includes a children's barred list check. The school should see the original DBS certificate and check this for any convictions/cautions. The School should then check the update service for any changes.

Information relating to an individual's criminal record will only be shared with the relevant people to enable the School/Trust to make a decision about their suitability to work with children and young people.

The School must obtain written confirmation from the agency that these checks have been carried out and are satisfactory. This must be recorded in the single central record (SCR).

Appendix 4 - Employment References - Guidelines on Writing

It is Transform Trust's policy to provide references regarding the employment of current or past employees, when requested by another employer or potential lender. Whether it is in your role as a Governor or as a manager, anyone asked to provide references for present and past employees of Transform Trust should read and comply with the following guidelines. Reference requests from Banks, Building Societies or other potential lenders should be directed to the HR team for discussion on a response.

Guidelines on providing references for staff are contained within the Recruitment and Selection Guidelines.

Transform Trust, as most local government organisations do, operates an open reference policy. This means that all employees have an entitlement to view the references written about them.

THE LEGAL POSITION

An inaccurate or defamatory employment reference can be the subject of an action for negligence or defamation against the Trust and/or the individual author and therefore the author of a reference owes a 'duty of care' to the person about whom it is written. Where the author of a reference is proven to have acted negligently, the subject of the reference does not have to prove 'actual loss' of employment, but only that they have lost a 'reasonable chance' of employment and thereby sustained loss. A duty of care is also owed to the recipient of the reference, who may be able to sue the individual referee and/or Transform Trust for damages if the information contained in the reference is inaccurate or misleading.

If any manager or governor has a concern about writing a reference for an existing or past employee, they should contact Transform's HR team for advice.

It is the responsibility of each school leader to identify those staff in their school who are authorised to respond to reference requests relating to current and former members of staff and to ensure that they are aware of these guidelines.

Headteacher's, line managers and governors approached for a reference for a member of staff reporting to them or within their team are effectively providing a reference on behalf of Transform Trust and the reference should be provided on Trust / School headed paper. Anyone approached for a reference for a peer or colleague for whom they do not have management responsibility, does not have a working relationship or is not involved in a Transform school as a governor, should make clear that they are providing the reference in a personal capacity. Such a reference should not normally be on Trust / School headed paper and the relationship of the referee with the individual concerned should be made clear.

AIMS OF THE REFERENCE

There are two principal reasons for an employer requesting a reference on a prospective employee:

- a. to confirm the accuracy of statements made in their application;
- b. to provide opinions as to the candidate's suitability for the post in question and their potential for the future.

In responding to a reference request, the facts about an individual's employment history and any opinion of their ability to undertake a

new role should not be confused. If an opinion is offered regarding an individual's abilities, the reasoning for such a view should be made clear. If challenged, the author would need to provide evidence to support their view. Therefore, to ensure compatibility with the Trust's viewpoint as employer all references provided which relate to someone's leadership capabilities will need to be sent to Transform Trust HR for a review. It is a requirement for any chair of governors or headteacher to supply a proposed reference request for a prospective headteacher / deputy headteacher position to Transform Trust's HR Lead before it is issued to the requester.

PROVIDING A REFERENCE

In writing a reference the author should always indicate how long they have known the individual and in what capacity and ensure that the facts stated about an individual are correct. The author should not include any facts of which they are unsure - if in doubt, leave it out.

If asked to express an opinion on an issue about which the author cannot make an unequivocal statement, for example, regarding an individual's honesty and integrity, it is appropriate to use a phrase such as "I know of nothing that would lead me to question x's honesty."

As a general rule only comments on an individual's performance or ability that have already been the subject of discussion with them and been actioned as part of the underperformance policy should be included.

References should be marked 'confidential' to the addressee.

A copy of any reference provided on behalf of Transform Trust should be forwarded to the HR Team for retention as well as final sign off.

LIABILITY AND DISCLAIMERS

A reference should contain the following disclaimer in its final paragraph:

"In accordance with Transform Trust's normal practice this reference is given in good faith and in confidence, without legal liability on behalf of the author or Transform Trust."

As there is no guarantee that a disclaimer will not be successfully challenged in court due care must be exercised when preparing a reference. Transform Trust may have particular protections, such as insurance, in place for those who have written references regarding colleagues in the course of their employment, but it only applies if these guidelines have been followed. This protection may not cover references written by a member of staff in a private capacity (e.g. a character reference for a colleague, friend or neighbour). In the event that a member of staff or a governor is challenged over the content of a reference, they should not be drawn into a discussion of the issue of liability but should refer the matter immediately to the HR Team at Transform Trust.

CONFIDENTIALITY AND DISCLOSURE OF REFERENCES

All references are given in confidence but Transform Trust or the recipient, may be required to disclose a reference under certain circumstances, such as a request for disclosure by an Employment Tribunal or a Court dealing with a negligence or defamation case.

Under the Data Protection Legislation 2018, individuals will in limited

circumstances have a right to request sight of references written about them by their current or past employer and those writing references should take this into account.

It is current practice that where an individual member of staff gives notice to the school / HR that they wish to see the contents of their HR file, their request is accommodated.

TELEPHONE OR VERBAL REFERENCES

Although requests for telephone or verbal references are frequently received, such requests should be declined other than in exceptional circumstances, since information given in this way may be misinterpreted in its transmission to the interview panel. If, exceptionally, a verbal reference is given, steps should be taken to verify the identity of the enquirer and notes should be kept of the conversation. Where a verbal reference is given on behalf of Transform Trust or a school within Transform Trust, the person giving the reference should not make any statements that they would not be willing to make in writing.

UNSOLICITED REFERENCES

It is generally not advisable to provide unsolicited references addressed 'to whom it may concern'. If exceptionally, such references are provided they should be limited to factual statements such as dates of employment, capacity in which employed and reason for leaving, if known.

Where a reference request is made for a former employee who may have left by mutual agreement through a settlement agreement, requests must always be sent to HR who will respond to the referee accordingly.

CRIMINAL CONVICTIONS AND DISCIPLINARY SANCTIONS

Care should be taken not to refer to spent criminal convictions in references and any queries should be referred to the HR team at Transform Trust. If the school or Trust has taken disciplinary sanctions against the subject of the reference, or if their performance is under formal review, advice should always be sought from the HR Team as to how this should be mentioned in a reference letter.

REQUESTING REFERENCES FOR PROSPECTIVE TRANSFORM EMPLOYEES

Transform's policy regarding the taking up of references on prospective employees is contained within the Recruitment and Selection Guidelines. Keeping Children Safe in Education (KCSiE) Guidelines on Safer Recruitment requires references for all posts that involve regulated activity with children to be requested prior to interview. This is the accepted practice of Transform Trust and its schools.

Steps to consider when responding to a leadership reference request:

Follow and consider the stages below:

01	Reference Request pro-forma received – ideally you will have received prior notice this will be coming. You will normally receive a cover letter indicating date of return, a Job Description and a Person Specification. References should only be requested for shortlisted candidates – do not supply before knowing this.
02	Consideration of content – review the pro-forma and consider fully whether you can answer all

	<p>questions to the best of your knowledge. Inform HR (emma.salmon@transformtrust.co.uk; or rachel.hannon@transformtrust.co.uk) you have the pro-forma and send a copy through indicating you are content you can complete without support. You must ensure you contact HR in time to ensure you can meet the deadline given.</p>
03	<p>Completion – once you have filled in the form, you may wish to indicate to the headteacher / deputy headteacher that you have done this and that you are sending to HR for final check. You may wish to share a copy.</p>
04	<p>HR Role – once satisfied with content, send to HR with your preferred date for it to be sent back to you. Indicate any areas you would like advice on or for HR to check. HR will consider the accuracy of the following; start date in post and employment dates, salary, disciplinary sanctions (including capability proceedings), sickness absence (note you are not legally permitted to supply this information until an offer has been made), statements made such as those about suitability to work with children that match Trust expectations, statements about skill-set that matches Trust view and expectation and recommendation for post being applied for.</p> <p>The reference will be returned to you with any amendments or suggested changes for you to sign and return.</p>
05	<p>Disclaimer Statement – ensure this is contained at the end of any pro-forma or cover letter sent to the requester.</p>
